

SIDEKICK FILLMORE GREASE BOOM REPLACEMENT INSTRUCTIONS

Sidekick Fillmore Grease Boom Replacement Kit Includes;
1-SideKick Fillmore Grease Boom

Pre-Installation

Make sure there are no obstructions that will be in the way of the mounting area on the duct such as electric boxes, conduits, brackets, etc. Check to be sure that the power supply conduit is in good condition and has adequate length for the fan to be tilted.

1. Remove saturated filter pad. Wipe inside of unit clean of any grease.

(1)

2. Install Fill-More filter pad. Make sure it lies uniformly in Sidekick allowing no gaps around perimeter.

Note: Replacing filter pads after fan cleaning is highly recommended.

Using any material other than genuine Grease Gutter Sidekick filter pads is not recommended, and doing so will void all grease protection guarantees and warranties associated with this product.

(2)
